

## EDUCATION

**Georgia Institute of Technology Atlanta, GA** — Current      GPA: 3.53  
Expected Graduation: August 2021  
Bachelors of Science in Computational Media

## PROJECTS

**MyKlemis App** — 2020  
Helped design and code the front end UI of a mobile application prototype for Georgia Tech's campus food pantry, Klemis Kitchen, using Xamarin Forms.

**Muscle Awareness Sonification Simulator for Digital Artists** — 2020  
Designed a theoretical sonification system to help digital artists be more in tune with their body as they draw and coded a simulator/ soundboard using Processing's Beads library that was used to help conduct Wizard of Oz style virtual user testing.

**Dr. Bill** — 2020  
Helped design a theoretical voice assistant app, Dr. Bill, that would act as a interview prep coach and mock interviewer for students preparing for software engineering interviews. Screen mockups were made in Figma and several user tests done in a Wizard of Oz style were conducted to test the system.

## SKILLS

**Design:** Adobe Photoshop, Lightroom, InDesign, Illustrator, Figma, Maya, Clip Studio Paint, photo editing, 3d modeling, UX design

**Programming:** Java, C#, HTML, CSS, JS, Git/GitHub, object-oriented programming, data structures and algorithms

## AWARDS

1st and 2nd place for 2016 PIAG Design Excellence Competition  
1st place for 2015 Gutenberg Award for Prepress Design

## EXPERIENCE

**Michaels Stores Inc, Alpharetta, GA** — Part-time Cashier & Floor Worker  
May 2021 - current

Responsibilities include greeting and assisting customers, processing payments, signing up customers for the store's reward program, straightening and returning items back to aisles, and cleaning up the store. Is consistently one of the top employees in getting new signups each week.

**Freelance Hobbyist Artist**  
October 2020 - current

Draws and designs stylized digital character art for online customers. Responsibilities include communicating with customers to effectively capture the envisioned request and working in a timely manner to provide finished artwork.

**Printing and Imaging Association of Georgia, Suwanee, GA** — Graphic Design Intern  
June - July 2015 & 2016

Responsibilities include helping out with their annual event Impress by designing and creating items such as a booklet, PowerPoint, signage, and nametags.
